

Dear Swimming Sponsor:

Welcome to another exciting year of the McHenry Aquatic Club's competitive swimming program. As our community has grown, so has our involvement in competitive swimming. To support this growth, increased corporate and community support is needed. We have a small, dedicated and generous group of parents, but we are in need of sponsors to help us offset our escalating costs. Your participation would be greatly appreciated and would help insure that we continue to provide a top-notch swim program that develops the swimmer as well as the individual.

The McHenry Aquatic Club is a non-profit organization of 50+ swimmers ranging in age from 5-18. Our team participates year round in the sport to acquire a greater level of skill and competition. We currently have athletes representing seven communities in the area. Our team travels to meets all over the northeast portion of the state, as well as championship meets throughout the Midwest region. We have had many athletes qualify for championship meets and some of them won or placed in the top eight of their events over the years! Many of our graduating high school athletes receive swimming scholarships at the college level.

Many of our swimmers participate on their local high school teams. With your support, these athletes can qualify for more championship meets at which time coaches from different colleges have an opportunity to scout our swimmers. Your donation allows us to purchase training equipment and helps to keep the fees for our athletes affordable.

We are pleased to offer three levels of corporate and community sponsorship. In recognition of your sponsorship donation, your company name may be listed on our website.

As an organizer of this fast growing team, we are dependent upon the support of companies in our surrounding communities to help these athletes reach their goals. If you have questions or would like further information please email us at [macswimmers@gmail.com](mailto:macswimmers@gmail.com).

Your firm's sponsorship can truly make dreams come true.

*Thank you for your support.*
